The 15 Best 'Gilmore Girls' Episodes Ever

If you haven't already been introduced to the mother and daughter duo of Lorelai and Rory Gilmore, then now is your chance since all seven seasons of *Gilmore Girls* is officially on Netflix. This series, set in the quirky Connecticut town of Stars Hollow, mixes family drama, humor, and an assortment of endearing odd-ball characters. Lorelai is a coffee-addicted single mother who gave birth to her daughter at the age of sixteen and then raised her alone, refusing the help of her rich parents. Lorelai decides to ask for a favor for her teenaged daughter's future that changes her relationship with her parents, Emily and Richard. To celebrate, we are counting down the 15 must-see episodes to start your binge watch.

#15 "Pilot"

Season 1: When her daughter gets accepted to swanky Chilton, Lorelai strikes a bargain with her parents. They will lend the tuition money, and in exchange Rory and Lorelai must commit to having dinner at the Gilmore home every Friday night. This episode nicely demonstrates the unique bond between Rory and her mother.

One of my faves is when Lorelai and Rory are at that dance trying to be last couple standing and Lorelai asked Dean to fill in as she has to do something but Jess is there with his gf and Rory is trying to make him jealous and Dean just explodes on her and walks out and Lorelai comes back to a crying Rory.
